

METROPOLITAN LOS ANGELES BRANCH LUNCHEON

DISCUSSION ON PROFESSIONAL ENGINEERING LICENSURE

Are you or your staff prepared to pass the PE or EIT exam?

Join ASCE MLAB as we welcome Ms. Cindi Christenson, Executive Officer of the National Council of Examiners for Engineering & Surveying (NCEES) Board. Ms. Christenson will present on current NCEES Board activities, exam information, current and future P.E. and E.I.T. requirements, and will be available to answer questions.

Feel free to email us questions for Ms. Christenson in advance of the event. Perhaps you need clarification on information regarding the exam in order to better prepare? If you are already licensed, you may be interested in the future of the engineering profession or the new requirements being implemented. What is in store for the next generation of engineers?

Speaker Biography: Ms. Cindi Christenson, P.E., was appointed as the Executive Officer in 1996 by the Board for Professional Engineers and Land Surveyors and has been with the Board since 1988. Prior to this, she worked for the Department of Water Resources as a mechanical engineer where she worked on several mechanical systems on various power plants throughout the state. She has a bachelor's degree in mechanical engineering from the California Polytechnic State University, San Luis Obispo, and a J.D. from Lincoln Law School in Sacramento. She also holds active licenses as a mechanical engineer and attorney-at-law in California.
